Finance Manager

£55-65k DOE

Are you a dynamic, ambitious finance professional ready to take your career to the next level? Do you thrive in fast-paced environments where your skills and ideas drive success? If you're hungry to grow, lead, and make a real impact, this is your opportunity to shine!

What You'll Do:

As our Finance Manager, you'll be pivotal in shaping the financial strategy and driving growth for the company. You will:

- **Lead Financial Planning:**
Oversee budgeting, forecasting and reporting to meet financial goals.
- **Be a Strategic Partner:**
Collaborate with leadership to provide actionable insights that guide business decisions.
- **Optimise Performance:**
Analyse performance metrics and identify opportunities for efficiency and growth.
- **Innovate Processes:**
Design and implement systems to streamline financial operations and reporting.
- **Mentor and Inspire:**
Manage a small, dynamic team, foster their development and empower them to succeed.
- **Stay Ahead:**
Monitor market trends and provide recommendations to maintain a competitive edge.

Are you a trailblazer who:

- Has 3-5 years of progressive finance experience, ideally in dynamic environments like start-ups, scale-ups, or high-growth industries.
- Is a natural problem solver with strong analytical skills and a proactive mindset.
- Thrives on challenges and is always looking for ways to learn and improve.
- Is ambitious, self-organised and driven - eager to grow in a fast paced environment.

A Growth Mindset:

Do you have energy to build, improve, and develop new processes as we grow? You'll create, manage and present key ratios to the Leadership Team, provide dependable financial intelligence across the business, plus guide and develop your own team. Adept in Xero and modern analytics, you can provide real insights at an advanced level. E-Commerce trading (especially Amazon) and International VAT compliance experience is desirable.
